

17 June 2021

Dear Parent/Carer

**Year 7 Eco-day, Thursday 24 June 2021**

I am delighted to inform you that year 7 will be participating in the BCHS eco-awareness day on Thursday 24 June. The aim of the day is to raise awareness of environmental issues and environmental responsibility. Students will be spending the day in a variety of workshops such as environmental careers, creative earth and a litter picking competition. Due to the active nature of some of the activities, we are asking students to come into school on Thursday 24 June wearing their full PE kit and trainers. They may also need a hat and sunscreen as some of the activities are outdoors.

If you require any further information, please do not hesitate to me email: [bconner@birchwoodhigh.org](mailto:bconner@birchwoodhigh.org)

Yours sincerely

Miss Conner  
Teacher of Geography
