

This course helps you to develop and demonstrate a range of skills. It contributes 5 Credits towards CoPE Level 3 if you choose to continue on to that course.

This course is for students who:

- ◆ Want to develop employability skills
- ◆ Enjoy managing their own learning
- ◆ Want to build up personal achievements
- ◆ Would like to add to GCSE qualifications

Entry requirements

The entry requirements for this course are a minimum of 5 GCSEs at grades 1-3 (or BTEC equivalents).

Course Content

You will take responsibility for planning, organising and carrying out a number of activities or challenges. The challenges are chosen from 12 modules as outlined in the CoPE Student booklet. The challenges may be completed in a variety of situations, in college, in the community or in the work place. You will evidence your learning in a portfolio.

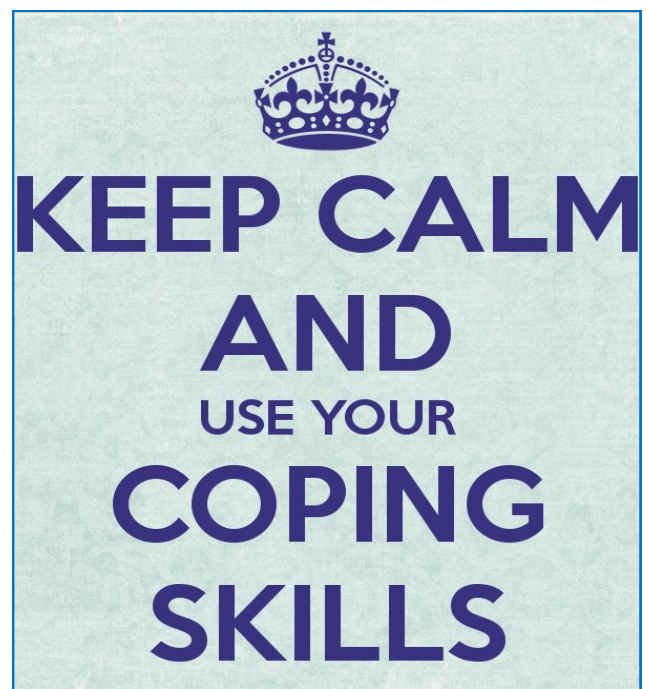

Assessment

You will need to produce a portfolio of evidence to reflect the following six skill areas.

- ◆ Introduction to Working with Others
- ◆ Introduction to Improving Your Own Learning & Performance
- ◆ Introduction to Problem Solving
- ◆ Planning and Carrying Out Research
- ◆ Communicating through Discussion
- ◆ Planning and Giving an Oral Presentation
- ◆ You will also need to show evidence of Action Planning & Reviewing

Approach to Teaching & Learning

- ◆ By carrying out the chosen challenges
- ◆ Lectures
- ◆ Group Work
- ◆ Discussions
- ◆ Research
- ◆ Planning and reviewing with your teacher
- ◆ Evaluating and recording the challenges

Future Prospects

The course will help support any future study or work you undertake. You could take the CoPE Level 3 and automatically have 5 Credits towards this qualification as a result of passing your CoPE Level 2 course.
