

EM 28.2022

Dear parent/carer

I hope you have all had a good week. It has certainly been a positive week in school, and the sun does always help to put us in a good mood!

We are having an absolutely fantastic day today celebrating our School of the Year award. Each year group is having one period out on the field – we have a wide assortment of inflatables and an ice cream van so that everyone can access a treat. The students have all had a great time so far and there is a really lovely atmosphere around the school site.

We are encouraging our students to write Easter thank you cards for any staff who have helped or supported them over this term. A lot of students have written them already and we will be continuing this with them until the end of term next week – cards are available from form tutors or the school office.

We are looking forward to our Easter celebration assembly in the Sport Hall next Friday. We have lots of prizes and awards to give out, plus we have some live musical performances by students for us all to enjoy too. The assembly will **finish at 12.15** and students will be dismissed to go home after this has finished so, please be aware of that earlier finish time. Assembly will commence at 11.30 if you wish to join us.

We have a lot to look forward to next week too, and hopefully it will be another positive week to end our Spring term.

I hope you have a lovely weekend.

Best wishes and take care,

Emma Mills
