

### **Eco-committee**

It's wonderful that you have appointed such a large Eco-Committee, this shows your schools excellent commitment to both the programme and the eco-cause. We love that pupils have defined roles and responsibilities within your Eco Committee. It's very reflective of professional environments and great experience for later life.

### **Environmental Review**

It's great to hear that you shared the Environmental Review via social media, the school website and assemblies. This is really strong informing and involving and shows how valued and embedded the Eco-Schools programme is in your school. We love your ambition in tackling the topics where you scored lowest in the Environmental Review. This shows you have a confident Eco-Committee dedicated to maximising their impacts.

### **Action Plan**

Your action plan is great! The actions that you planned out were really SMART (Specific, Measurable, Achievable, Relevant and Time Bound). This is important as it helps to achieve progress and empower your Eco Committee. Great outcomes! It's clear that your school has used environmental issues to build an engaging curriculum for pupils, they are passionate about global issues and keen to learn more and educators in your school have risen to the challenge.

### **Informing and Involving**

We love how your Eco-Board celebrates projects past and present. Informing and involving is one of the strongest parts of your application, it's great that you have minutes, the Environmental Review and Action plan on your school website for all to view, keep up the good work!

### **Overall Comments**

You should be very proud of your achievements in creating an eco-hub and network with local primary schools, this is what the Eco-Schools programme is all about, empowering young children. Great supporting evidence in your Bonus Question section, overall, this is a terrific application and a great year's work. The Eco Committee and the entire school should feel very proud. The Eco-Schools team is delighted to award you an Eco-Schools Green Flag with Distinction.
