Dear Parents/Carers

I hope you had a wonderful week last week. It was a productive one here at school, and we're excited to share some updates with you.

Firstly, I want to inform you that our Year 7 students are embarking on their residential this week. We're eager for them to enjoy their team-building adventures and have lots of fun during enriching experience.

Additionally, I'm pleased to announce that our new enrichment programme is now in place. All students are encouraged to commit to participating in two activities per week. Your child will have time with their form tutor to discuss which activities they'll be attending.

I want to extend my gratitude to our Year 11 students for their dedication to their studies. They are on track to achieve remarkable progress, which reflects their hard work and commitment.

Thank you also for your support regarding toilet visits. I'm delighted to report that there has been a significant reduction in the time spent out of class, which is a testament to our collective efforts.

Lastly, I'd like to remind you to nominate a teacher for a thank-you award using the link that was sent out last week. Your recognition means a great deal to our staff.

Thank you for your continued support and partnership in your child's education.

Best wishes and take care,

Emma Mills
