Letter from the headteacher

July 2025

Dear applicant,

I am delighted that you are looking to apply for a job here at Birchwood Community High School. I feel very lucky to be the headteacher at this vibrant school. BCHS is an amazing place to work, with a unique sense of spirit and community – it is warm and welcoming, people-focused and totally dedicated to the community that we serve.

Our staff are passionate about education and believe that all young people should be inspired to be the very best that they can be. Our vision and values articulate the things that we put importance on and also encapsulate the school's spirit: we are a team. The staff know this, our parents/carers know this and, most importantly, our students know this. Our vision at BCHS is to have students who understand the power of aspiration, knowledge and kindness.

We believe in the power of knowledge and the importance of a challenging, word-rich curriculum for all. That said, we are not all about the academic, we actively teach social responsibility and direct students in acts of kindness within the school setting but also in our wider community. We view it as our duty to ensure they leave us with high aspirations, secure knowledge and a kind heart.

We pride ourselves on the core ethos of our school being underpinned by the strongest foundations of discipline, respect, tolerance and compassion – we ensure our students are equipped with a strong moral compass. We offer a very strong extra-curricular programme with every member of staff offering a provision, it is an aspect of our school community that we are very proud of, and rightly so.

We know that our students are excellent people, and they thrive in a culture of achievement and success; we have high expectations, encouraging them to be aspirational in their learning and to enjoy all aspects of school life. Academic standards at BCHS are good for all students irrespective of their starting point. However, we know that we are all capable of even more. We continue to strive to improve levels of student achievement and move towards being recognised as outstanding in all areas.

It is essential that we appoint the right person to this role, and it is important that their values and views align with what we are trying to achieve as well as our philosophy on staff wellbeing and development.

Our Vision

Team Birchwood believe in the power of aspiration, knowledge and kindness. We know that we achieve our best when we work together.

Our Ethos

High aspirations, high expectations and high achievement rely upon a positive working environment based upon respect. For us, respect means consistent positive regard for everyone in our learning community. A strong moral purpose enables students in our school to grow into independent, responsible young adults who can access a happy and healthy future.

At Birchwood we strive to ensure that every lesson counts, for every child, every day. We expect teachers to deliver engaging lessons that ensure students acquire powerful knowledge and develop both essential and desirable skills. For this to happen, behaviour must enable every teacher to teach and every child to learn. We expect students to come ready each day to challenge themselves to be the very best they can be. We have a wide variety of extra-curricular activities to help children develop all their skills and talents and there are many opportunities to develop their leadership skills throughout their school life.

We want the children in our care to leave us with high aspirations, secure knowledge and a kind heart.

We maintain high standards of ethics and behaviour; one of the ways this is by embracing the British Values: democracy; the rule of law; individual liberty and mutual respect; and tolerance of those with different faiths and beliefs.
