Dear Parents and Carers,

As we reach the end of this half term, we are pleased to reflect on what has been a fantastic start to the year. There has been so much going on, and it has been wonderful to see the students engaging so enthusiastically in all aspects of school life.

The next half term begins on **Monday 3rd November** at the usual time. We have an exciting schedule ahead:

Anti-Bullying Week: We will have assemblies, form-time activities, a "Speak Up" box for students to share their thoughts, social time music, and more.

Just a reminder that a letter has been sent about the **Curiosity Project** and we hope to see lots of a family's engaging with the project after the half term. This is a great opportunity to support the behaviour and co regulation of your child and will support your child at home as well as in school

Wear It Pink Day – Friday 7th November: Students are invited to pay £1 to wear their own clothes, with a focus on wearing something pink in memory of Brianna Ghey. Half of the money raised will go to **The Brianna Ghey Legacy**, and the other half will contribute to our **Aspire Fund**, helping us build a playground at school.

In addition, there will be more **House competitions**, rewards, and a range of activities for students to get involved in as we move towards the festive season.

We hope the next two weeks provide a restful break, giving your children the chance to recharge and come back refreshed for an exciting half term ahead.

Thank you for your continued support.

Best wishes and take care,

Emma Mills
Headteacher
