Date 23rd January 2026

Dear Parent/Carers,

I am pleased to share some highlights from another busy and successful week at school.

This week, all students took part in safeguarding assemblies delivered by our Designated Safeguarding Leads, Mrs Rigby-White and Mrs Richards. These assemblies are a vital part of our ongoing commitment to ensuring students feel safe, informed, and supported.

Our House competition on Wednesday involved a paper plate challenge and proved to be great fun, with lots of creativity and teamwork on display. The current House competition is a STEM challenge, where students are designing their own city. The deadline for entries is 6th February, and we are very much looking forward to seeing the final designs.

Next week on **Thursday 29th January** - Mrs Forster and Mr Cosby will be hosting a revision workshop to support Year 11 with their next mock exams. The session will run from **2.45-4.15**. If your child would like to attend, please click the consent button on class charts.

KAST assessments have continued this week, and I would like to commend all students for the excellent attitude and effort they have shown throughout. Year 11 students have also been completing their mock Languages speaking exams, and they have approached these with maturity and confidence – well done to all involved.

We were also delighted to welcome the Duke of Westminster to our school this week. He visited to learn more about our phone-free school systems and was extremely impressed by the students he spoke with, Louie and Jess. We are very proud of how confidently and thoughtfully they represented our school.

Thank you, as always, for your continued support.

E. Mills
