Dear Parent/Carers,

It has been a great first week back for this spring half term, pupils have returned with much enthusiasm.

Year 7 & 8 Parents' Evening

Year 7 & 8 Parents' Evening took place last night. It was wonderful to see such a great turnout and to hear the positive conversations taking place between families and staff. The event was both productive and enjoyable, and we greatly appreciate your continued engagement in supporting your child's learning.

House competitions

There was no house challenge this week. It will be back on next week - we have basketball shoot out to look forward too.

Time to Talk Day

Today marks the first **Time to Talk Day** of this school year. Today highlights the importance of open conversations around mental health. We encourage open discussion, reduce stigma and promote the wellbeing of our students. We are proud of the maturity shown by our pupils.

Year 9 Vaccinations

These will take place here at school next Wednesday (04/03/26) E-consent has now closed.

Year 11 Mock Exams

Year 11 Mock examinations began this week and will continue until 13 March 26. These exams are an important part of preparation for the summer GCSE series. We encourage all **Year 11** students to revise thoroughly, attend school punctually and approach the coming weeks with focus and determination. We wish them every success.

Parking Reminder

May I respectfully remind all parents and carers to park considerately when dropping off and collecting students.

Thank you, as always, for your continued support.

Best wishes and take care,

Emma Mills
Headteacher
