## Welcome to 7MCH!

Starting high school is a big step, and I'm really excited to be your form tutor for the next 5 years. You'll meet new people, try new subjects, and discover what you're capable of. It's okay to feel a bit nervous - that just means you're doing something new and important.

In our form, we work hard, support each other, and make sure everyone feels included. Don't be afraid to ask questions, try your best, and get involved. This is your fresh start - make the most of it. I'm looking forward to getting to know all of you!

## My Top Tip for Year 7:

Starting high school can feel scary but remember everyone else is new too. Put your hand up, answer questions, join a club, talk to someone new - even if it feels uncomfortable at first.
