Welcome to your new form, 7NHO, and welcome to Birchwood High School. Starting secondary school is a big step, and I know it can feel exciting, a little nerve-racking, and everything in between. Over the next year we'll get to know each other, have plenty of laughs, and work together to make our form a friendly and supportive place for everyone.

Don't worry if you're feeling a bit unsure at first - that's completely normal. My job is to help you settle in, support you when you need it, and make sure you have a great start to your time at Birchwood. I look forward to meeting you very all soon.
