I just want to start by saying how excited I am to be your form teacher this year. Starting Year 7 is a big step it's a fresh start, a new chapter, and a chance to discover who you are and what you're capable of.

You're all bringing something unique into this room, your personalities, your talents, your ideas and that's what will make our form special. My role is to support you, guide you, and help you grow, not just academically, but as confident and kind individuals.

It's okay if you feel a little nervous, everyone does at the start. But remember, this is a safe space. We will learn together, laugh together, and support each other. I expect you to try your best, show respect, and be the kind of people who lift others up.
