Dear parent/carer,

Welcome to Birchwood Community High School.

I am absolutely delighted to be writing to you to welcome you and your child to our Birchwood Family. It is wonderful news that your child has been offered a place with us to begin their secondary school journey this September, and we cannot wait for you to be part of our community.

We know that the move from primary to secondary school is a big and exciting step - for both children and their families. Please be assured that we are committed to making this transition as smooth, happy, and reassuring as possible. Your child will be joining a caring and supportive community where every young person is known, valued, and encouraged to thrive.

At Birchwood Community High School, everything we do is guided by our core values: Aspiration, Knowledge and Kindness. Over the coming months, we will be in touch with further information about transition events, visits, and opportunities for your child to become familiar with our school, staff, and new classmates. These experiences are designed to help them feel confident and excited about starting with us in September.

In the meantime, please do not hesitate to contact us at transition@birchwoodhigh.org if you have any questions or would simply like some reassurance - we are always here to help.

Once again, congratulations on securing a place at Birchwood. We are very much looking forward to working in partnership with you and welcoming your child into our school family.

Best wishes and take care,

Emma Mills
